### **Industry:**

Architecture and Interior Design

### **Employer:**

VISTO

### **Job:**

Art Consultant

### **Required qualifications and experience:**

We are looking for an Art Consultant with 5+ years of experience managing projects with multiple stakeholders to join our Cyprus office (this could be as an architect, interior designer, gallerist, project manager, engineer, etc.). This is a unique opportunity for someone with a strong background in a different field to use their experience to lead projects that shape the cultural and visual identity of some of the world's most iconic spaces.

The Art Consultant will guide projects from the creative concept to installation on site, working alongside artists, architects, designers, and clients to deliver art collections.

### **Responsibilities**

#### Project Leadership

- Take ownership of art curation projects, leading them from concept and design development through to delivery and installation.
- Manage project schedules, budgets, approvals, and deliverables with precision.

#### Creative

- Curate and propose artworks that align with design narratives and commercial goals.
- Collaborate with architects and interior designers to ensure seamless integration of art into schemes.
- Prepare engaging presentations that clearly communicate the creative vision.

#### Client Communication

- Act as the main point of contact for clients, architects, and designers.
- Provide regular updates, lead presentations, and build lasting relationships.
- Confidently manage client expectations and proactively resolve challenges.

#### Coordination & Delivery

- Coordinate artists, vendors, and logistics for framing, production, and installation.
- Prepare clear installation guides for clients and site teams.
- Ensure design intent is maintained on site, coordinating with contractors and consultants as needed.

**Requirements**

- 5+ years of experience managing projects with multiple stakeholders
- Strong communication skills and experience in building client relationships
- Confident presentation abilities
- Excellent organizational skills with the ability to manage budgets and timelines
- Fluency in English

**Benefits:**

- Highly competitive compensation package, above local market benchmarks
- Participation in a company-sponsored private pension plan
- Private medical plan, fully covered by the company
- Generous vacation policy
- Professional development opportunities

**District:**

Nicosia

**Additional Information:**

VISTO, one of the world's leading art consultancies, curates art collections for iconic properties across Europe, North America, the Middle East, and Asia. We take pride in working alongside our clients and the world's top architects and interior designers to deliver collections—including both the creative concept and selection of art and artists, as well as the logistics and installation—of the most complex and important hotels, restaurants, offices, and residences.

We are a team of 20 motivated professionals from all over the world who seek to improve the quality of art found in these spaces, which are too frequently overlooked as opportunities to build meaningful art collections. We work tirelessly to use art not only to help make interior spaces beautiful, but also to challenge visitors and guests to engage and look closely at it as they would at a museum or gallery exhibition.
